Re: Installation Work by Richard Alviar and Kevin Jenkins

Dear Harry:

As you know, you assigned Richard Alviar and Kevin Jenkins to install two new furnaces and one new condenser at my home. Your assignment of Richard and Kevin was, in my opinion, masterful. On Monday and Tuesday of this week, Richard and Kevin worked tirelessly on the installation of the three units. They were not only professionals at all times, they were personable as well.

The purpose of my writing this letter to you is to thank you for letting Richard and Kevin to do my work. Irrespective of what other Weeks installers might have been assigned, it is clear that you assigned two very qualified, competent, and personable people to perform the installation at my home.

Sincerely,

William E. Schweinle, Jr.
